What is I-Dagen?

I-dagen is the annual career fair that brings together Industrial Engineering & Management students and leading companies at Chalmers. Each year, hundreds of students get the chance to expand their network, explore career opportunities, and take part in inspiring workshops and lectures.

Since 1983, the Division of Industrial Engineering & Management has proudly hosted this flagship event every fall, welcoming 25-35 companies eager to meet and connect with our talented students. I-dagen is more than just a fair, it's a vibrant meeting point where industry and academia come together.

Make sure to seize the day: attend the lectures, join the contests, and don't miss the banquet. After all, this opportunity only comes once a year!

A Word From the Project Manager

Get Ready for I-Dagen on October 1st!

We're excited to welcome you to this year's Industrial Engineering and Management career fair at Chalmers. A wide range of companies will be joining us, offering great opportunities to connect, explore career paths, and gain new inspiration. The day starts with a breakfast seminar hosted by the Industrial Engineering and Management alumnus, Henrik Rudberg, followed by a lunch lecture with the well known Hockey Player and renowned speaker Joel Lundqvist. In the evening, we'll round things off with a banquet at Gothia Towers. Take a look at this year's catalog and get ready for a day filled with meaningful insights, unique opportunities, and collaborative connections. We hope to see you at I-Dagen 2025!

LEDAREGENSKAPER
– vad jag står för

Lunch Lecture

Få personer förkroppsligar vinnande ledarskap som Joel Lundqvist. Med tre VM-guld, fyra SM-guld och fyra CHL-titlar vet han vad som krävs för att lyckas. I denna inspirerande lunchföreläsning delar Joel med sig av sin personliga resa, från de tidiga drömmar som tände gnistan till den långa kaptensrollen i Frölunda HC. Han berättar om de avgörande egenskaper som format hans ledarskap, de vinnande faktorerna bakom de lag han varit en del av och hur hans ledarstil utvecklats genom åren. Missa inte chansen att ta del av unika insikter från en av Sveriges mest framgångsrika ledare inom idrotten!

Ticket release
26/9 in Orbi

BANKETTEN**

GOTHIA TOWERS

*An evening with amazing food, entertainment,
and great people.*

Welcome to Gothia Towers 18:30

Interview Sessions

Do you want to **network with exciting companies** and get an inside look at their operations? Then an interview session is perfect for you! These are personal meetings that you can book with companies participating in the fair, either digitally or in person. You'll have the chance to get to know the company better, ask questions, and show your interest. A meeting lasts for 25 minutes and could be the first step towards your future career. Some meetings may even lead to an official interview.

Why apply for an interview session?

Develop essential communication skills and practice your interview technique, making you better prepared for future career steps.

Build valuable relationships that can open doors to job offers, internships, and networking opportunities.

Gain exclusive insights into industry trends and challenges directly from company representatives, helping you understand future demands and opportunities in the job market.

When you are reading this catalogue, the application for interview sessions will unfortunately be closed.

Interview sessions will be available with...

Drake Analytics

Drake Analytics är ett oberoende konsultbolag och helhetsleverantör av Data Analytics & Data Management. Vi växer fort och är i dagsläget ca 40 konsulter med kontor i Linköping, Jönköping, Stockholm och Göteborg. Drake hjälper organisationer och företag att lösa komplexa affärsproblem med strategisk användning av data. Vi extraherar och transformerar data för att skapa end-to-end data pipelines. Vi orkestrerar hela kedjan från ingestion-mekanismer till dataarkitektur i dataplattformar fram till visualisering i Business Intelligenceplattformar. En stor del av vår verksamhet kretsar även kring att skapa AI- och maskininlärningsmodeller för att predicera framtiden baserat på historiska data. Din karriär- och kunskapsutveckling i första rummet. På Drake vill vi ge alla medarbetare möjlighet att växa. Vi hjälper varje individ med en individuell kunskapsutvecklingsplan och erbjuder alla medarbetare att avsätta tid för utbildning

Line of business:

IT and Consulting

Fun fact:

Drake Analytics värld och vardag präglas av skratt, värme, framgångar och gemenskap. Tyvärr är detta inte allas verklighet. När vi lyfter blicken och tar in vår omvärld inser vi väldigt snabbt att vi är privilegierade utöver det vanliga. För oss är det då synnerligen självklart att göra det vi kan för att bidra till en bättre värld, på de sätt vi kan. Vi har identifierat tre organisationer som vårt Drake Analytics-hjärta ömmar lite extra för och som får gratis konsulttimmar av oss för att bygga analytics: Östergötlands Stadsmision, Erikshjälpen och Scouterna.

Bricobomba är ett specialistbolag som gör det mesta inom data. Allt från infrastruktur, dataplattformar och integration till rapportering, dataanalys och maskininläring. Vi är en partner och rådgivare som guidar våra kunder mot framgång. Våra innovativa lösningar är anpassade för att möta unika och ständigt föränderliga behov. Tillsammans bygger vi en kompetent, kreativ och lösningsorienterad organisation som står redo för framtidens utmaningar.

Line of business:

Specialistkonsulting inom data

Fun fact:

Bricobomba kommer från det franska ordet bricolage, som ungefär betyder gör-det-själv. Detta återspeglar vad vi gör. Vi ger våra kunder kunskap och verktygen att göra-det-själv. Namnet representerar även den förändringskraft som data och teknik kan skapa. Vår logotyp symboliserar våra specialismråden: Data, Teknik och Strategi - Sammanlänkande och i ständig rörelse framåt.

Business locations:

Stockholm och Göteborg

Number of employees:

30

The department of Technology Management and Economics conducts research within three areas: Innovation & entrepreneurship, Supply chain & operations management, and Sustainability & society studies. We offer PhD projects that are of relevance for and in close collaboration with, both academia and the industry. As a PhD student, you conduct research, take courses that help you develop as a researcher and in your field, and teach students in courses on bachelor and/or master level.

Line of business:

Research

Business locations:

Gothenburg

Number of employees:

Institutionen: 186

Chalmers: 3 000

Fun fact:

As a PhD student, you have the opportunity to go to conferences all over the world.

TEKNOLOGBOLAGEN

En del av CHALMERS STUDENTKÄR

Employer branding, konsulttjänster och HR är våra tre huvudområden som hjälper Chalmerister att vässa sitt CV och få en tidig start i karriären. Chalmers Teknologbolag fungerar som navet som håller ihop dessa tjänster och erbjuder studenter värdefull erfarenhet, nätverk och kontakter för framtiden.

Line of business:

Konsult, rekrytering och employer branding

Fun fact:

Vi växer och letar ständigt efter nya talanger.

Wint är ett svenskt techbolag som har utvecklat en digital tjänst för att automatisera företagsekonomin. Man kan säga att Wint fungerar som en "digital ekonomiavdelning" för små och medelstora företag.

Vad Wint gör: Automatiserar bokföring, fakturering, löner och betalningar. Kopplar ihop bank, bokföring och andra system så att mycket av administrationen sker automatiskt. Ger företagare en överblick i realtid över ekonomi och kassaflöde.

Visionen: Att företagare ska slippa lägga tid på pappersarbete och istället kunna fokusera på sin kärnverksamhet.

Kunder: Främst små och medelstora bolag som inte vill hantera bokföring och löpande administration själva, men också större bolag som vill effektivisera sin ekonomiavdelning.

Business locations:

Gothenburg

Number of employees:

120
